**Accelerate  
Application  
Delivery**

**Modernize  
Core  
Applications**

**Simplify IT  
Transformation**

**Strengthen  
Cyber  
Resilience**

**Analyze  
Data in Time  
to Act**

## Differentiation

Thousands of customers choose Micro Focus every day to solve their digital dilemma because we are:

### Flexible:

- | We offer the options you want—from SaaS, to on premises, to cloud.
- | We support our products for the long haul so you can evolve at your own pace, building on what you already have, saving money, and reducing risk.

### Comprehensive:

- | Our broad software portfolio simplifies transformation giving you a single vendor across a wide range of needs.
- | Our world-class Professional Services and Support teams work across our portfolio to help you get the most from your investments.

### Customer-focused:

- | We innovate our products based on direct feedback from customers through a variety of means including our communities, events, and Customer Care team.
- | We prioritize the things that matter to our customers including transparency, ESG values, and accelerating time to value.
